PROFILE

Experienced Berlin-based Software Developer specializing in Full-Stack Development with expertise in Angular, React, Next.js, and TypeScript | Certified Scrum Product Owner | Stripe Certified Professional Developer

EMPLOYMENT HISTORY

Software developer, Berlin Bytes GmbH

Berlin

Jun 2021 — Present

- Developed fully responsive user interfaces for React and Angular-based web applications, ensuring optimal performance and user experience across devices.
- Collaborated on diverse projects, including e-commerce platforms, CRM systems, and AI-powered tools, demonstrating versatility and adaptability in various tech stacks.

Career transition

Melbourne

Nov 2019 — Jun 2021

- Volunteer and Part-time Work: Participated in volunteer projects, including event organization for community initiatives. These experiences honed my teamwork, problem-solving, and project management abilities.
- Continued Learning and Development: Took online courses in advanced web development, keeping my technical skills up-to-date with the latest industry trends. Explored new technologies and programming languages, applying them to personal projects.

Office Manager, Erasmus Point Naples

Napoli

Oct 2017 — Dec 2019

- Coordinated office activities and operations, emphasizing efficient workflow and communication to support a productive environment.
- Provided technical support and guidance to colleagues on software tools and applications, leveraging strong problem-solving skills to enhance operational efficiency.

EDUCATION

Media studies, Università degli Studi di Napoli Federico II

Napoli

Sep 2013 — Sep 2016

Bachelor's degree in Media Studies with a focus on digital communication and content creation. Gained practical experience in multimedia production and project management, complemented by self-taught programming skills and a strong understanding of the intersection between technology and media.

HOBBIES

Skydiving, Surfing, Scuba Diving
Vipassana meditation
Chess
Traveled and lived in 25 different countries and participated in community projects

Humanistic Studies, University of Bath

Bath

Sep 2015 — Sep 2016

Completed an Erasmus+ exchange program at the University of Bath, focusing on Humanities and Humanistic Studies (2015-2016). Enhanced cross-cultural communication skills and broadened academic perspectives through immersive coursework and collaborative projects.
